

Group Risk Intermediary

Health Matters Ltd has established itself as most valuable resource for many organisations and individuals.

Our clients rely on us to present them with facts, information and recommendations in all aspects of health related services and benefits.

Independent comprehensive market review

Independent review of the medical insurance market included within a detailed report incorporating premium and benefit comparisons.

Negotiations with your current or preferred Insurer so that they provide the best cover at the most realistic and competitive price.

Leverage due to our industry reputation and sizeable portfolio of clients we command enhanced service levels and reduced premiums.

Independent advice as we work for our clients not the insurer. We will review the market and present you with a report incorporating our recommendations saving you time and money.

Renewal Accounts – Organise membership changes and check that the invoices/credits received are accurate.

Policy Document – Make sure documentation are correct and any changes have been applied to the scheme design.

Medical Underwriting – Facilitate any underwriting due to benefits over the free cover limits or discretionary entrants. Negotiate removal of loadings on medical grounds where possible.

Claims Management – Assist in the smooth running of the claim process. Liaising with both insurers and medical professionals.

What do we charge?

There is no fee payable to Health Matters and your rates remain the same whether you deal direct with the Insurer or via ourselves.

Commission is paid by the Insurer however rates do not increase if you use a broker as all subscriptions already include a commission element, which we are pleased to disclose.
